For Immediate Release

Momentum Receives Revised Expression of Interest

Markham, Ontario March 13, 2009 – **Momentum Advanced Solutions Inc. (TSX:WWW)**, (“Momentum” or the “Company”), announced today that it had received a revised non-binding expression of interest from a company controlled by Sheldon Pollack and Phillip DeLeon, the Chief Executive Officer and President, respectively, of Momentum, with respect to the possible privatization of Momentum. The revised expression of interest indicated that the offeror would be prepared to increase the cash consideration from \$0.20 per share to \$0.22 per share in cash per common share to the shareholders of Momentum (other than Messrs Pollack and DeLeon, their associates and affiliates). Messrs Pollack and DeLeon reserve the right to reduce the cash consideration to \$0.20 per share if the transaction is not completed prior to April 30, 2009. The balance of the earlier expression of interest remains unamended.

The expression of interest is non-binding and subject to conditions, including receipt of board, shareholder, regulatory and stock exchange approvals, completion of definitive documentation, financing and the finalization of all material terms between the parties. There can be no assurance that any transaction will be consummated on the proposed terms on any timetable or at all as a consequence of the delivery of the expression of interest.

Sheldon Pollack and Phillip DeLeon each own or control approximately 20% of the 64,105,577 outstanding common shares of Momentum.

An independent committee of the board of directors of Momentum has been formed to review the non-binding expression of interest and to consider other alternatives to enhance shareholder value. The committee has retained Pivotal Decisions Inc. as its strategic advisor. Meyers Norris Penny LLP has been engaged by the Committee to prepare a valuation.

Forward Looking Statement

This press release contains forward-looking information (including without limitation, forward-looking information that relates to guidance respecting the Company’s third quarter financial results. All forward-looking information is based on management’s best estimates and the current operating environment. Forward-looking information typically contains words such as “anticipate”, “believe”, “should”, “may”, “expect”, “intend”, “plan” or similar words suggesting future outcomes. These statements are based upon certain material factors or assumptions that were applied in drawing a conclusion or making a forecast or projection as reflected in the forward-looking information, including Momentum’s perception of historical trends, current conditions and expected future developments as well as other factors management believes are appropriate in the circumstances.

Such forward-looking information is as of the date hereof and is subject to a number of known and unknown risks, uncertainties and other factors which could cause actual results or events to differ materially from future results or events expressed, anticipated or implied by such forward-looking information. Such factors may include but are not limited to, changes in markets and competition, continued weakness in the general economy, technological and competitive developments. Therefore, actual outcomes and results may differ materially from those expressed in such forward-looking information. Readers are cautioned that such information may not be appropriate for other purposes. Other than as may be required by law, Momentum

disclaims any intention or obligation to update or revise any such forward-looking information, whether as a result of new information, future events or otherwise.
